To whom concerns,

Please find enclosed the conclusions related to the verification of your product as suitable for organic farming according to NOP Regulation.

You will find all your allowed products on our web site: www.inputs.bio

Personal link: <http://ap.ecocert.com/intrants/fournisseur.php?id=846>

The mention you have to use on your labels and invoices is

'Product suitable in organic farming according NOP Regulation''.

Use restrictions can be noted on the conclusions files and must be mentioned after sentence compliance, if necessary.

Warning: according to the contract for input verification, no Ecocert reference is allowed to be used neither on the labels nor on any communication document.

However, the apparition of your products on the ECOCERT web site is a guarantee of compliance for the customer. A printed page of the site can be provided to the certification body, which will be considered as a sufficient proof if the invoice guarantee is enclosed.

We are at your disposal for any further information.

Best regards,

PETIT AUDE
Inputs certification Officer
