

SERVICE DAY SATURDAY

City-Wide Volunteer Day in Savage, MN

10:00a.m – 3:00p.m. @ City Hall Campus

Dear Savage Area Business,

On Saturday, April 21st, the city of Savage will be hosting a city-wide day of service for residents. This youth led event is a day when businesses, organizations, faith groups, families, and residents can attend a Service Fair at City Hall Campus. Participants can travel to various locations such as the fire station, police station, library, and senior housing to complete fun and engaging hands on service projects. Lunch will be provided by the Firefighter's Relief Association. The entire event is free. An official proclamation for Service Day Saturday will be issued by the mayor as well. Here's how you can be involved prior to the event:

***Be a Sponsor.**

Our hands-on service projects require some basic materials. Your sponsorship of \$150 will cover the cost of these materials, many of which will go directly to a non-profit (example: bulk beads and supplies which will be assembled into a bracelet kits for hospital patients). Checks for sponsorships can be made out to Harriet Bishop Elementary School: Federal Tax ID #41-6000802

***Host a Food Drive**

Join in a city-wide food drive to help local food shelves by hosting a collection at your site during the week of April 15-21st. Your donations can be dropped off at City Hall on Saturday during the event, or picked up on Saturday by one of our local Boy Scout groups.

***Host a Coin Collection with your Employees**

Any change you donate will be counted and put toward purchasing a goat for a family in a developing community, around the world, through the [We Create Change](#) initiative. Every \$50 raised provides a goat to a family, empowering women and men to support their children and take charge of their futures. Challenge your staff to see how many goats your business can sponsor.

Feel free to call or email any questions you have. We look forward to your participation!

Sincerely,

Service Day Saturday Planning Team in Savage
